Module II
Practical – I

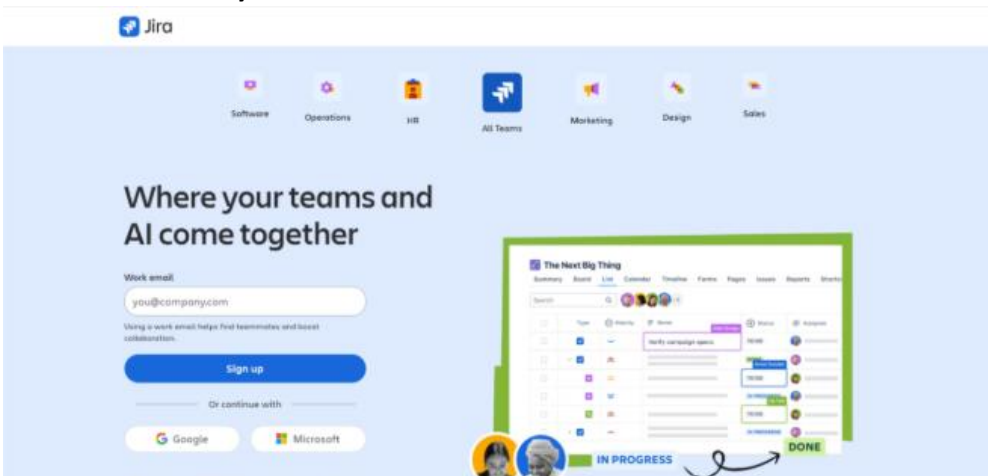

Roll No.:T031	Name:Ishita Patel
Class:TYIT	Batch:2
Date of Assignment: 29/08/26	Date/Time of Submission: 29/08/26

1 A Create a Jira Cloud account and explore the dashboard.

Open Google and search for Jira. Open the Jira website to begin the setup.

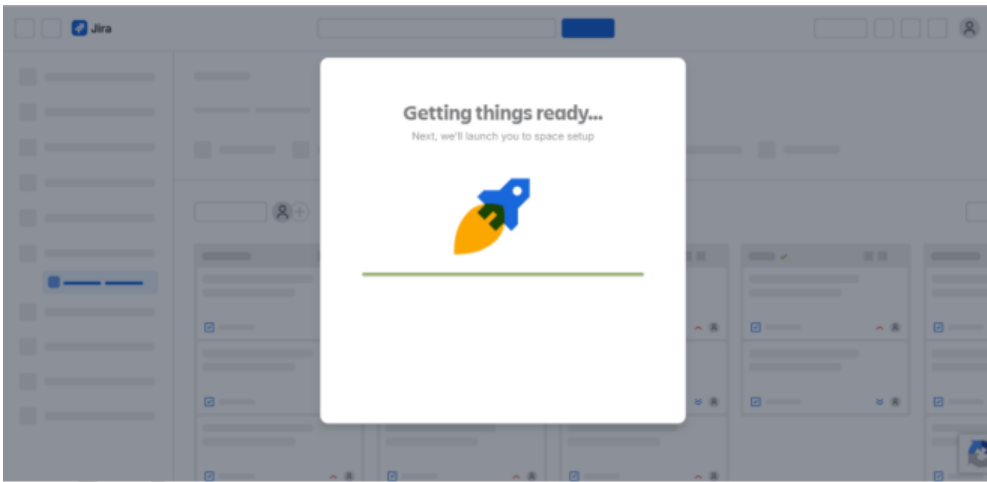

Click on Google. Enter the required email/account details and click Continue to create or access your Jira account.

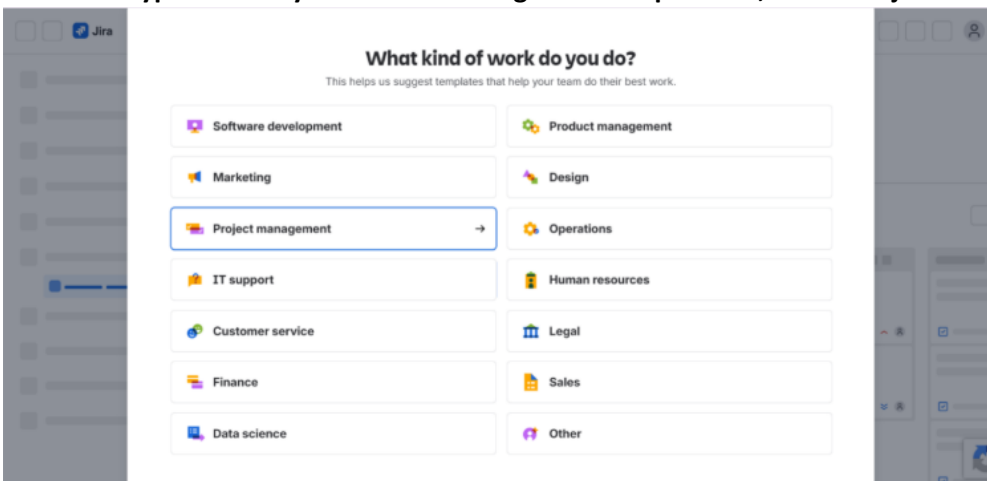

Complete the account creation process by following the instructions displayed on the screen.

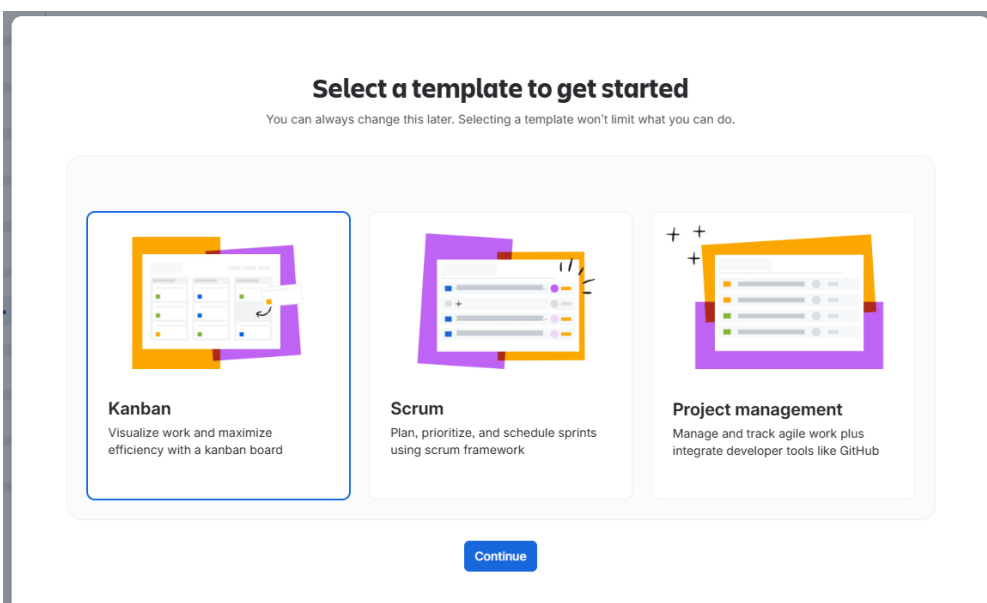

Wait for Jira to complete the initial setup. The Getting things ready screen will appear.

Select the type of work you want to manage. For this practical, select Project management.

From the available project-management templates, select the required template that is Kanban and click Next.

Enter a suitable name for your space/project in the Name your space field.

Name your space

This is where you'll help your team track progress, stay organized, and manage tasks.

Name your space

Example space names:

My Team

Team Luna

Task Tracking

Budget Planning

Big Idea Launch

Get started

My Team

Board List Timeline Backlog

TO DO

IN PROGRESS

DONE

Select the appropriate method for tracking your work and click Next.

How do you track work?

As you complete work, it moves through these statuses.

+ Add status
